Please join us for ***The Seven Last Days***, a beautiful Lenten Tenebrae Service written by composer Joel Raney. ***The Seven Last Days*** weaves narratives, scripture, and deeply moving choral anthems to lead us into the shadows of darkness on this candle-lit reflection depicting each of the events of Jesus Christ’s last earthly days as described in the Gospel of Matthew.

There is no charge for this event and all are welcome!

This musical experience is a wonderful and meaningful way to continue your Lenten Journey and prepare for Holy Week.

Please consider inviting your neighbors, friends and family members to attend with you.
